

## ROGER WOODWORTH

Vice President  
**Avista Corp.**

Vice President  
for Sustainable  
Energy Solutions  
**Avista Utilities**

Roger Woodworth is vice president for Avista Corp. and vice president for Sustainable Energy Solutions for Avista Utilities. Woodworth began his career at Avista Corp. as a fish and wildlife biologist in 1979, doing environmental studies for energy project licensing. During his career with Avista, he gained extensive experience across the organization, including in corporate communications, strategic counsel, corporate development and energy operations.

Woodworth is active in civic and professional organizations. He serves as board vice chair of the Northwest Energy Alliance, chair of Edison Electric Institute's Executive Advisory Committee on strategic issues, and chair of the Spokane Mayor's Task Force on Sustainability. In addition, he is board chair for Washington State University President's Spokane Advisory Council.

Woodworth received his Bachelor of Science degree in wildlife biology from Washington State University in 1978. He is also an alumnus of Columbia University's Senior Executive Program.
